Dear Bob,

Enclosed is the list of "Bob Tomaine's Top Ten Historical Sites". I left City Hall for you-I bow to your superior knowledge of the monster!

Everything is off the top of my head, so if you find something you don't feel good about as far as accuracy, be my guest. I'm pretty sure though, that it's just about 100%.

Do a good job on layout and printing, as I'd like to use it in my portfolio. (Translated, that means "Don't forget the credit line")

I probably won't see you until the Wednesday of Pioneer Days, so if you need anything, call and leave word. I'll be out of town, but my parents will be able to get in touch with me.

Sincerely,

Bob Tomaine
